School-Based Services

Note: The questions below review some school-based services that your family may be using. You may want to consider whether you have been able to access these services through a virtual/at home learning option, your satisfaction with the services to date, and whether you would prefer to receive these services in school. If your child is at higher risk for severe illness and relies on school-based services that are only available on site, you may want to have additional conversations with your school to address concerns you may have.
